Storage Container
LC10 / LC20 / LC40

For Industry, Trade and Commerce

Economical and large storage space for industry, trade and commerce – a better alternative to a sea container!

• Less expensive and better looking than a sea container
• Durable and maintenance-free due to completely galvanized building parts and Best-Point technology. A guarantee for this is given for 10 years.
• Economical repairs because of ready-made spare parts
• 4 jack rings for easy transportation, up to 3 tons can be lifted by crane (LC10 and LC20)
• High level of operational safety with TÜV certification and GS mark
• Snow load safety up to 200 kg/m²
• Floor load bearing capacity up to 500 kg/m²

Asssembly:
• Can be built anywhere without any special aids! No crane or forklift necessary.

Delivery:
• Flat-packed delivery – saves freight charges or
• Delivered pre-assembled – ready for use (LC10 and LC20)

10 ft
